The dress is great! Very classy and comfortable. It fit perfectly! I'm 5'7" and 130 pounds. I am a 34B chest. This dress would be too long for those who are shorter but could be hemmed. I wouldn't recommend it for those big chested as I am smaller chested and it fit me perfectly. The underarms were not too wide and the dress was made well.

I loved this dress so much as soon as I tried it on I knew I had to buy it in another color. I am 5'3 about 155lbs and I carry all my weight in my upper body. When I put it on I felt like it thinned me out and I got so many compliments.

I'm super happy with these! I've never bought jeans online before and I didn't think they'd even fit, but it turns out they fit pretty perfectly. I got a size 28- I'm 5'6" and weigh about 127 lbs. They are tight but not suffocating ...
